## 2011-2012 Registration Form

Dear Parents

Has your child been thinking about playing a musical instrument? Why not enroll him/her in the **OLMC Music Club** for the 2011-2012 school year? This is a great opportunity for first time students, who have an interest or emerging musical talent, to "try it" at a very low cost. We will continue to offer:

**Band**: clarinet, flute, sax, drums, trumpet, piccolo, and trombone for students in Grades 4-8

**Orchestra**: violin, viola, and cello for students in Grades 2-8

I hope you will consider the life-long skill of playing a musical instrument, for your child. The benefit which is gained, from music theory, has been proven to advance the higher level thinking skills, of most students. Here are some points for your consideration:

- Costs: \$20/month (paid monthly or by semester)
- Instrument rentals TBD. Approximately \$20/month depending on the instrument.
- Lessons twice weekly with a band/orchestra teacher.

If you have any questions, I can be reached at [pfmorales@cox.net](mailto:pfmorales@cox.net). There will be a box in the school office for the completed forms and payment. Thank you! - **Pam Morales**
