

# Support Our Accelerated Readers

At Our Lady of Mt. Carmel School the Accelerated Reader Program encourages and nurtures good reading habits.

The S.O.A.R. program is a way in which parents and friends can help to Support Our Accelerated Readers by donating the cost of library books. The school library depends on your donations to be able to replace worn books and buy new ones for use with the AR program.

Please use the donation form on the back of this letter. Make checks payable to Our Lady of Mount Carmel School, mark them S.O.A.R. Program and drop them off at the school office or the library.

One of the greatest and most far reaching gifts we can give our children is a love of reading. With your help, we can continue to offer this gift to all Mount Carmel School students.
